Appellant Rahul Manchanda, a resident of New York County, states the following:

1. This affidavit is submitted in support of Appellant's Motion for an Emergency Stay of Proceedings and Temporary Restraining Order to Stay Enforcement Pending the Consideration of the instant Appeal pursuant to CPLR §§ 5518, 5519 and 2201;
2. This court should grant the instant motion because:
3. In addition to an automatic stay of enforcement as per CPLR 5519(a) and (b), subsection (c) authorizes the Court to use its discretion in granting a stay of enforcement by motion;
4. CPLR 5519 authorizes a stay enforcement of the order being appealed, a stay under CPLR 5518 and 2201 stays the entire case with a preliminary injunction which may be granted in any action where it appears that the defendant threatens or is about to do, or is doing or procuring or suffering to be done, an act in violation of the appellant's rights respecting the subject of the action, and tending to render the judgment ineffectual, or in any action where the appellant has demanded and would be entitled to a judgment restraining the respondent from the commission or continuance of an act, which, if committed or continued during the pendency of the action, would produce injury to the appellant - a temporary restraining order may also be granted pending a hearing for a preliminary injunction where it appears that immediate and irreparable injury, loss or damage will result unless the respondent is restrained before the

hearing can be had, and the appellate division may grant, modify or limit a preliminary injunction or temporary restraining order pending an appeal or determination of a motion for permission to appeal, in any case specified in section 6301;

5. The standard for obtaining a discretionary stay under CPLR 5519(c) consists of meeting three requirements: (a) the likelihood of success on the merits, (b) irreparable injury in the absence of injunctive relief, and (c) the balancing of the equities between the parties. See Seitzman v. Hudson Riv. Assoc. (1st Dept. 1987) 126 A.D.2d 211 513 NYS 2d 148, Alexandru v. Pappas (2nd Dept. 2009) 68 A.D.3d 690; 890 N.Y.S.2d 593.
6. One of the few cases which does touch upon a CPLR 5519(c) motion is Matter of Grisi v. Shainswit, 119A.D.2d 418, 421 (1st Dept. 1986), which noted that stays are issued at the court's discretion, meaning that any application for a stay of enforcement under CPLR 5519(c), will be extremely fact specific in its arguments;
7. The movant needs to recognize it is granted at the Court's discretion, and the best guidance for the layout of the argument is found in Seitzman and Alexandru's three requirement test.
8. And when the specific facts show that a stay of enforcement cannot wait until the motion is decided, a request for a T.R.O. can be made to stay enforcement pending the determination of the motion (Deposition is in less than 2 weeks, while Appellate motions for stay normally take 6 weeks to decide).
9. As the previously submitted **Exhibits A** through **H** demonstrate, Respondent Douglas Senderoff and a whole host of now convicted criminals began an extortion racket in October 2018 against Appellant wherein they demanded \$300,000 within 7 days otherwise they would take steps to irreparably harm the Appellant.
10. In response, Appellant Rahul Manchanda sued the Respondent Douglas Senderoff and his cohorts in NYS Supreme Court in front

of Judge Barbara Jaffee in case index no 101501/2018.

11. This is a formal complaint about the blatant racism, discrimination, complete and total abuse of civil rights, and malicious prosecution by New York Supreme Court Judge Richard Latin and Lucy Billings in NYS Supreme Court case docket no 152538/2019 entitled "Dr Douglas Senderoff v Rahul Manchanda Esq" wherein a bunch of hardcore, Zionist, extremist Jewish judges have illegally, unethically, and immorally manipulated, extended and prolonged this case, **with no presented evidence against me**, to the point where all I am doing is spending tons of money, time, stress and years defending myself in a lawsuit and cause of action, which actually began with my lawsuit in October 2018 against Senderoff in NYS Supreme Court docket no 101501/2018 in front of NYS Supreme Court Judge Barbara Jaffee, which was removed by Senderoff and his co-defendants to federal court in SDNY case docket no 1:18-CV-11092-PGG in front of Judge Paul Gardephe.
12. This is all because of my vocal and written in 3 books and 20 online journals supporting Palestinian rights, being against war with Iran and other Middle Eastern countries after my travels there beginning in 2006.
13. Because of this constant stress on me, my family, and my law firm business, I had a heart attack in August 2019 and am also now suffering from clinical anxiety being forced to take 8 medical pills per day in order to avoid another heart attack.
14. The claims/causes of action/issues are exactly the same as the ones that I brought in October 2018, but Senderoff simply did not appear for my lawsuit in almost 1 year, with me filing tons of motions to compel his appearance, compel his answer, compel his attending of hearings, requesting sanctions and costs and contempt motions, all of which were roundly and soundly denied, usually without any written or reasoned decision, by Senderoff's fellow hardcore extremist Zionist Jewish judge/cronies, now Richard Latin, and previously Lucy Billings, by Barbara Jaffee,

and then by Paul Gardephe, the latter of which also used his position to publicly flog, humiliate, embarrass, threaten and abuse me in his obscenely late and criminally threatening written decision when I complained about all of these issues of malicious prosecution.

15. This case saga has been going on now, since October 2018, starting out with Senderoff and his cadre of criminals extorting and threatening me that I must pay \$300,000 in 7 days otherwise they would release voice recordings of me arguing with an ex girlfriend who I had to file an Order of Protection against, and then have arrested for violating this Order of Protection, Nicole Matties.
16. Furthermore my original lawsuit contained hard evidence and documentary/technical proof that Dr Douglas Senderoff and his cadre of criminals hacked into my law firm IT, laptops, computers, client files, voicemails, emails, wireless networks etc from 2017 to 2019, in their desperate criminal attempts to obtain even more blackmail material with which to extort me with.
17. Please immediately and urgently intervene here, as this abuse must end now.
18. I have previously reported to your agency that Dr Douglas Senderoff, using a former girlfriend of mine, Nicole Matties and her "pimp" Nicola Shapiro and "Joe Hendrix," possibly at the behest and cooperation of my ex-wife Sharie O'Buck and her husband Matt O'Buck working with another former girlfriend Kate Bose, surreptitiously tape recorded me without my knowledge or permission and then tried to continue to extort me for money (\$300,000 demanded in 7 days otherwise they would release that information to the public).
19. Douglas Senderoff admitted in his depositions that he paid/used a whole team of IT forensic experts, hackers, private investigators, and SEO people to surveillance, trespass, enter, hack, break into, copy, target, hijack, steal from, penetrate,

and infiltrate my law firm voicemails, emails, websites, wireless networks, client files, payment processors, and other law firm IT infrastructure to obtain this illegal information and data to use against me for extortion purposes.

20. I had previously complained to law enforcement and the attorney disciplinary committees about his lawyers who were forced to withdraw/resign from this extortion plot presumably by the Bar Association and federal/state/local law enforcement, but now it appears that Douglas Senderoff's previous lawyers Aaron Minc, Daniel Powell, and Roger Blank have been replaced by lawyer Justin Mercer of Lewis & Lin LLC to continue on with the extortion and placing me and my family and law firm staff and clients in this fear/extortion scheme, and are continuing to use the courts to accomplish this.
21. Keep in mind that I was forced to obtain a restraining order against Nicole Matties and have her arrested because she would not leave my apartment for months, violently abusing and threatening me the entire time, all the while extorting and extracting money from me for her and her pimp Nicola Shapiro, while being supervised and directed and "run" by Joe Hendrix who lived in my residential building at the time at 150 West 51st Street, New York NY 10019, this man who also manipulated and took \$20,000 from me for an illegal "Initial Coin Offering" ("ICO") on behalf of the BlockChainOfThings company, run by his friend Andre DeCastro, who then stole and converted this money, and did not pay either me my money refund or my dividend winnings after they raised nearly \$14 million dollars a year later.
22. The SEC later investigated, prosecuted and convicted BlockChainOfThings based on my tips to them, and to the NYC FBI Field Office and the NYS Attorney General.
23. Now Justin Mercer and his law firm of Lewis & Lin LLC are continuing on with the extortion by also insinuating/threatening to release this ill-gotten and possibly tampered with voice recordings, client/computer/law firm data and information.

24. Please urgently investigate and advise.
25. Based on conversations that I have had with my attorney Robert Androsiglio, upon information and belief I believe that Dr Douglas Senderoff and his lawyer Justin Mercer of Lewis & Lin LLC in case Douglas Senderoff MD v. Rahul Manchanda Esq., in New York Supreme Court Index #: 152538/2019, have not only refused to answer/respond to Post-EBT Questions asking for any and all texts, emails, voicemails, phone call records, and other written correspondence by and between Dr Douglas Senderoff and one Nicole Matties, Nicola Shapiro, Matthew O'Buck, Sharie O'Buck, Andrea De Castro, Joe Hendrix, Kate Bose, and others, but have criminally destroyed that evidence and/or instructed those parties to also do the same.
26. This tends to defeat/undermine to prove my assertions and allegations that these people have jointly, in a criminal fashion, conspired and worked together to jointly commit criminal acts against me, my law firm business, my children, and my family.
27. His Lawyer, Justin Mercer of Lewis & Lin LLC is located at 81 Prospect St Suite 8001, Brooklyn, NY 11201, telephone number (718) 243-9323 has in my firm belief and opinion counseled, aided, abetted, and actively possibly destroyed this evidence.
28. Please pull this data, preserve it, investigate, and advise.

**WHEREFORE**, it is respectfully requested that this Court (a) grant Appellant's Emergency Motion to Stay the lower court's proceedings and grant Appellant's Emergency Motion for a TRO to Stay Enforcement Pending the Consideration of this Appeal; (b) ultimately dismiss this lawsuit in its entirety, (c) award attorneys fees and costs to Appellant, (d) grant an Order barring Respondent from filing another frivolous lawsuit in this Court or any other Court, (e) and such other further relief as this Honorable Court deems fair and equitable under the circumstances.

Hello:

\* National human rights institutions, established and operating under the Principles Relating to the Status of National Institutions (the Paris Principles), in particular in regard to quasi-judicial competence, may serve as effective means of addressing individual human rights violations.

This is a formal complaint about the blatant racism, discrimination, complete and total abuse of civil rights, and malicious prosecution by New York Supreme Court Judge Richard Latin and Lucy Billings in NYS Supreme Court case docket no 152538/2019 entitled "Dr Douglas Senderoff v Rahul Manchanda Esq" wherein a bunch of hardcore, Zionist, extremist Jewish judges have illegally, unethically, and immorally manipulated, extended and prolonged this case, with no presented evidence against me, to the point where all I am doing is spending tons of money, time, stress and years defending myself in a lawsuit and cause of action, which actually began with my lawsuit in October 2018 against Senderoff in NYS Supreme Court docket no 101501/2018 in front of NYS Supreme Court Judge Barbara Jaffee, which was removed by Senderoff and his co-defendants to federal court in SDNY case docket no 1:18-CV-11092-PGG in front of Judge Paul Gardephe.

This is all because of my vocal and written in 3 books and 20 online journals of supporting Palestinian rights, and being against war with Iran and other Middle Eastern countries after my travels there beginning in 2006.

Because of this constant stress on me, my family, and my law firm business, I had a heart attach in August 2019 and am also now suffering from clinical anxiety being forced to take 8 medical pills per day in order to avoid another heart attack.

The claims/causes of action/issues are exactly the same as the one that I brought in October 2018, but Senderoff simply did not appear for my lawsuit in almost 1 year, with me filing tons of motions to compel his appearance, compel his answer, compel his attending of hearings, requesting sanctions and costs and contempt motions, all of which were roundly and soundly denied, usually without any written or reasoned decision, by Senderoff's fellow hardcore extremist Zionist Jewish judge/cronies, now Richard Latin, and previously Lucy Billings, by Barbara Jaffee, and then by Paul Gardephe, the latter of which also used his position to publicly flog, humiliate, embarrass, threaten and abuse me in his obscenely late and criminally threatening written decision when I complained about all of these issues of malicious prosecution.

This case saga has been going on now, since October 2018, starting out with Senderoff and his cadre of criminals extorting and threatening me that I must pay \$300,000 in 7 days otherwise they would release voice recordings of me arguing with an ex girlfriend who I had to file an Order of Protection against, and then have arrested for violating this Order of Protection, Nicole Matties.

Furthermore my original lawsuit contained hard evidence and documentary/technical proof that Dr Douglas Senderoff and his cadre of criminals hacked into my law firm IT, laptops, computers, client

files, voicemails, emails, wireless networks etc from 2017 to 2019, in their desperate criminal attempts to obtain even more blackmail material with which to extort me with.

Please immediately and urgently intervene here, as this abuse must end now.

**RE: BLATANT RACISM/DISCRIMINATION/BIAS BY EXTREME ZIONIST JEWISH NYC JUDGES**

Hello:

This is a formal complaint about the blatant racism, discrimination, and harassment I am experiencing. This is all because of my vocal and written opposition to the policies of the extreme Zionist Jewish judges mentioned in the subject line. Because of this constant stress on me, my family, and my law firm business, I have filed a formal complaint with the appropriate authorities. The claims/causes of action/issues are exactly the same as the one that was filed in October 2018. This case saga has been going on now, starting out with my original lawsuit. Furthermore, my original lawsuit contained hard evidence and documentary evidence. Please immediately and urgently intervene here, as this abuse must end.

Complainant's Signature (Required): 

I have previously reported to your agency that Dr Douglas Senderoff, using a former girlfriend of mine, Nicole Matties and her "pimp" Nicola Shapiro and "Joe Hendrix," possibly at the behest and cooperation of my ex-wife Sharie O'Buck and her husband Matt O'Buck working with another former girlfriend Kate Bose, surreptitiously tape recorded me without my knowledge or permission and then tried to continue to extort me for money (\$300,000 demanded in 7 days otherwise they would release that information to the public).

Douglas Senderoff admitted in his depositions that he paid/used a whole team of IT forensic experts, hackers, private investigators, and SEO people to surveillance, trespass, enter, hack, break into, copy, target, hijack, steal from, penetrate, and infiltrate my law firm voicemails, emails, websites, wireless networks, client files, payment processors, and other law firm IT infrastructure to obtain this illegal information and data to use against me for extortion purposes.

I had previously complained to law enforcement and the attorney disciplinary committees about his lawyers who were forced to withdraw/resign from this extortion plot presumably by the Bar Association and federal/state/local law enforcement, but now it appears that Douglas Senderoff's previous lawyers Aaron Minc, Daniel Powell, and Roger Blank have been replaced by lawyer Justin Mercer of Lewis & Lin LLC to continue on with the extortion and placing me and my family and law firm staff and clients in this fear/extortion scheme, and are continuing to use the courts to accomplish this.

Keep in mind that I was forced to obtain a restraining order against Nicole Matties and have her arrested because she would not leave my apartment for months, violently abusing and threatening me the entire time, all the while extorting and extracting money from me for her and her pimp Nicola Shapiro, while being supervised and directed and "run" by Joe Hendrix who lived in my residential building at the time at 150 West 51st Street, New York NY 10019, this man who also manipulated and took \$20,000 from me for an illegal "Initial Coin Offering" ("ICO") on behalf of the BlockChainOfThings company, run by his friend Andre DeCastro, who then stole and converted this money, and did not pay either me my money refund or my dividend winnings after they raised nearly \$14 million dollars a year later.

The SEC later investigated, prosecuted and convicted BlockChainOfThings based on my tips to them, and to the NYC FBI Field Office and the NYS Attorney General.

Now Justin Mercer and his law firm of Lewis & Lin LLC are continuing on with the extortion by also insinuating/threatening to release this ill-gotten and possibly tampered with voice recordings, client/computer/law firm data and information.

Please urgently investigate and advise.

### Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

I have previously reported to your agency that Dr Douglas Senderoff (who was investigated by the DEA for providing illegal drugs to hooker prostitute patients/woman), using a former girlfriend of mine, Nicole Matties and her "pimp" Nicola Shapiro and "Joe Hendrix," possibly at the behest and cooperation of my ex-wife Sharie O'Buck and her IT Expert husband Matt O'Buck (who is taking a criminal plea deal involving illegal firearms around my minor children) working with another former girlfriend Kate Bose (who has an outstanding NYC arrest warrant), surreptitiously tape recorded me without my knowledge or permission and then tried to continue to extort me for money (\$300,000 demanded in 7 days otherwise they would release that information to the public). Douglas Senderoff admitted in his depositions that he paid/used a whole team of IT forensic experts, hackers, private investigators, and SEO people to surveillance, trespass, enter, hack, break into, copy, target, hijack, steal from, penetrate, and infiltrate my law firm voicemails, emails, websites, wireless networks, client files, payment processors, and other law firm IT infrastructure to obtain this illegal information and data to use against me for extortion purposes. I had previously complained to law enforcement and the attorney disciplinary committees about his lawyers who were forced to withdraw/resign from this extortion plot presumably by the Bar Association and federal/state/local law enforcement, but now it appears that Douglas Senderoff's previous lawyers Aaron Minc, Daniel Powell, and Roger Blank have been replaced by lawyer Justin Mercer of Lewis & Lin LLC to continue on with the extortion and placing me and my family and law firm staff and clients in this fear/extortion scheme, and are continuing to use the courts to accomplish this. Keep in mind that I was forced to obtain a restraining order against Nicole Matties and have her arrested because she would not leave my apartment for months, violently abusing and threatening me the entire time, all the while extorting and extracting money from me for her and her pimp Nicola

Shapiro, while being supervised and directed and "run" by Joe Hendrix who lived in my residential building at the time at 150 West 51st Street, New York NY 10019, this man who also manipulated and took \$20,000 from me for an illegal "Initial Coin Offering" ("ICO") on behalf of the BlockChainOfThings company, run by his friend Andre DeCastro, who then stole and converted this money, and did not pay either me my money refund or my dividend winnings after they raised nearly \$14 million dollars a year later. The SEC later investigated, prosecuted and convicted BlockChainOfThings based on my tips to them, and to the NYC FBI Field Office and the NYS Attorney General. Now Justin Mercer and his law firm of Lewis & Lin LLC are continuing on with the extortion by also insinuating/threatening to release this ill-gotten and possibly tampered with voice recordings, client/computer/law firm data and information. Please urgently investigate and advise.

### Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

Based on conversations that I have had with my attorney Robert Androsiglio, upon information and belief I believe that Dr Douglas Senderoff and his lawyer Justin Mercer of Lewis & Lin LLC in case Douglas Senderoff MD v. Rahul Manchanda Esq., in New York Supreme Court Index #: 152538/2019, have not only refused to answer/respond to Post-EBT Questions asking for any and all texts, emails, voicemails, phone call records, and other written correspondence by and between Dr Douglas Senderoff and one Nicole Matties, Nicola Shapiro, Matthew O'Buck, Sharie O;Buck, Andrea De Castro, Joe Hendrix, Kate Bose, and others, but have criminally destroyed that evidence and/or instructed those parties to also do the same. This tends to defeat/undermine to prove my assertions and allegations that these people have jointly, in a criminal fashion, conspired and worked together to jointly commit criminal acts against me, my law firm business, my children, and my family. His Lawyer, Justin Mercer of Lewis & Lin LLC is located at 81 Prospect St Suite 8001, Brooklyn, NY 11201, telephone number (718) 243-9323 has in my firm belief and opinion counseled, aided, abetted, and actively possibly destroyed this evidence. Please pull this data, preserve it, investigate, and advise.
